

# Apprentice Appreciation

## Congratulations are in order...

We would like to applaud Jack Gardham (Top), Joe Deakin (Middle) and Dylan Buckley (Bottom), who have all recently completed a 4-year Glenair apprenticeship programme in our machine shop.

Well done and thank you for the hard work and dedication, in successfully attaining a HND in Mechanical Engineering.

We would like to wish you all the best with your future careers at Glenair!

Above are a few pictures from our apprentice appreciation breakfast events that were held on Monday 6th March and Tuesday 14th March 2023.

We are proud of our Glenair apprentices and look forward to welcoming the next cohort later in the year.
