

For over 40 years, Glenair has been proud to be DMC's sole Authorised Distributor for the UK and Ireland. Amongst the range of products available are:

- Manual and Power Assist Crimping Tools & Accessories
- Insertion and Extraction Tooling
- BETA - Backshell Assembly Tooling
- Wiring System Support Kits
- Safe-T-Cable – Fastener Retention System
- Alphasron Wire Crimp Pull Tester
- Twist Strip – Outer Jacket Stripper for Shield Twisted Cables
- Fully Authorised Repair and Re-Certification Centre

This is to certify that Glenair UK Ltd. is authorized to sell and repair Daniels Manufacturing Corporation (DMC) tools and accessories. All new tools sold and repaired by Glenair UK Ltd. will be covered under the standard DMC Limited Warranty.
